# Quick Fix App

Juan Silva

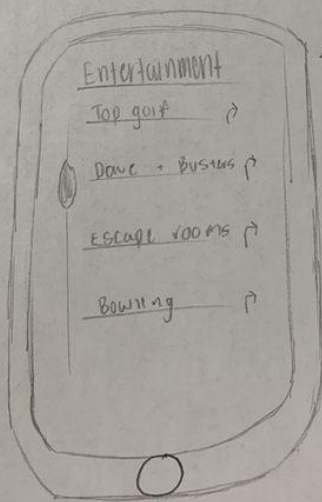

will ask questions  
to get a better  
understanding of what  
you like + dislike

Allowing the App to  
use your location  
will search places  
nearby in order  
make a list of  
what you can do

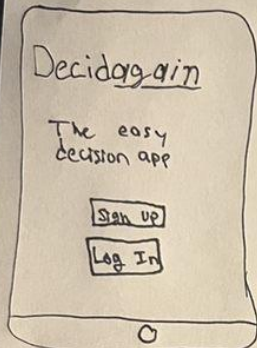

gives a list of  
what you are wanting  
the app to decide

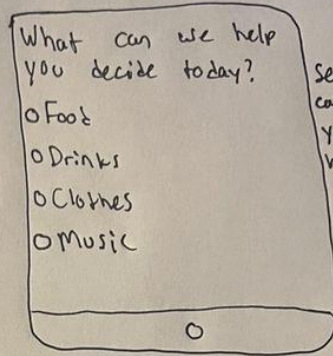

gives specific  
options of what's  
nearby

also allows to  
use gps by clicking  
arrow

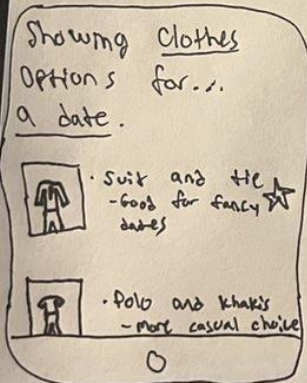

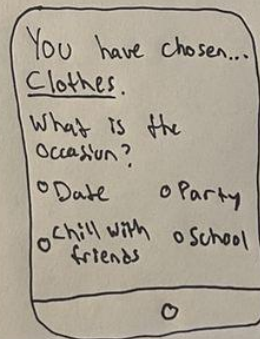

Sign up/login page

Select a category you need help with

Gives list of operations you can favorite

Allows you to select sub categories
